

LOTTERY FUNDED

FULBOURN ARTS 2009

This year Fulbourn Library is running a Darwin Writing Project as part of Fulbourn Arts 2009. Pupils at Fulbourn, Teversham and Great Wilbraham Schools are taking part. The children's writing inspired by Darwin will be published in a booklet and given to everyone who has taken part. Extra Copies will also be available.

We have been successful in getting a grant of £1660 from the Lottery funded Awards for All to pay for the cost of the booklet and for a poet/tutor to support work in the schools.

We are most grateful to the Head Teachers of the above schools and to Awards for All for making such a worthwhile project possible.
