Mary Drage, Secretary
Keith Crossley, Treasurer**

Update on New Premises - June 2008

We are hopeful that with continuing support from Fulbourn Parish Council and from Cambridgeshire Libraries you will have a new Fulbourn Village Library by the end of 2008 / beginning of 2009.

Accent Nene are providing space for the Library in the new community building which will be built in the first phase of the Windmill Estate project.

As you can imagine the prospect of moving the Library, which our volunteers have run successfully for 4½ years, is exciting but also a bit daunting. Meetings and decisions regarding the internal design of the building are ongoing. We now have a plan for the new Library, which is under discussion, and we shall need to seek funding for some new shelving and furniture.

We look forward to continuing this public service to the residents of Fulbourn and surrounding villages and we thank our customers for their loyal support.
